Romello Hollingsworth

Not Gon Cry:

Trying to Live Romello Hollingsworth, 2018-01-11 16 year old Shatanya Lil Bit Williams wasn't even born when the Chicago's house music hit the scene with songs such as It's Time for the Perculator and Jack Master was used in the late 80's. Since then the music has evolved and developed into a cult following of dedicated young African Americans in Chicago's inner city. In 2007 the high energy fast paced movement of the feet twist and turns in motion dance style called Juking blazed the ghettos of Chicago like a forest fire. There were thousands of talented dancers on the scene but when it came to the best in Chicago hands down Lil Bit was the Floyd Mayweather of his dance movement. Something she often quotes after dominating and winning various dance competitions. After meeting 17 year old Lemon 18 year old Sway and 16 year old Auriel at a neighborhood block party she became the fourth member of their dance group L O A girls. News of the Ladies of Action group caught the attention of 25 year old DJ Lightbulb a major pioneer on the Juke Scene that has been doing it since it was called House Music. DJ Lightbulb organized one of the biggest power moves of his career bringing together the best juke dance crew hoping twin 50 000 and a chance to dance in videos of R B superstars like Ciara and Chris Brown. After months of narrowing down the contestants the L O A girls were amongst the finalist. With days counting down until the show and everyone's excited DJ Lightbulb hasn't told anyone that the show has been cancelled. Now faced with a major disappointment to himself Lil Bit the L O A girls and other finalist from Chicago DJ Lightbulb must make a decision on what to do. Lemon is faced with a teenage pregnancy Lil Bit has horrifying secret and life in their violent neighborhood begins to cause problems in their young lives. DJ Lightbulb and the girls road to prosperity will be anything but easy. At the end of the day they are just Trying to Live.

Real Love, No Drama Danny Alexander, 2016-03-01 Mary J Blige is an icon who represents the political consciousness of hip hop and the historical promise of soul. She is an everywoman celebrated by Oprah Winfrey and beloved by pop music fans of all ages and races. Blige has sold over fifty million albums won numerous Grammys and even played at multiple White House events as well as the 2013 Nobel Peace Prize ceremony. Displaying astonishing range and versatility she has recorded everything from Broadway standards to Led Zeppelin anthems and worked with some of popular music's greatest artists Aretha Franklin Eric Clapton Elton John Whitney Houston Sting U2 and Beyoncé among them. **Real Love No Drama** The Music of Mary J Blige tells the story of one of the most important artists in pop music history. Danny Alexander follows the whole arc of Blige's career from her first album which heralded the birth of hip hop soul to her critically praised 2014 album *The London Sessions*. He highlights the fact that Blige was part of the historically unprecedented movement of black women onto pop radio and explores how she and other women took control of their careers and used their music to give voice to women's and men's everyday struggles and dreams. This book adds immensely to the story of both black women artists and artists rooted in hip hop and pays tribute to a musician who by expanding her reach and asking tough questions about how music can and should evolve has proven herself an artistic visionary. **Queen**

Rising Dakota Light,2020-07-01 The raunchiest self help book you will ever read I was put off by the profanity in it including crude slang terms for female body parts as I don't like to read any books with that If the author had mentioned the swearing in the book's description I would have never chosen it I also felt that perhaps she over shared her experiences Reviewer Yea I may have revealed too much Author Have you heard of the high value woman She's the type every man wants the one they beg propose to and chase after There are whole books and videos on her secrets how to attract her and what she does that we those of us who are presumably not high value women don't do Here's the secret about these women that no one will say High value women do not read books or watch videos about being themselves It might seem harsh but it is the truth This woman looking for very specific things in life yes but she is at home with herself A high value woman is healed and whole He pulled away when everything seemed to be going well He cheated He lied He betrayed my heart and my trust I know what it's like to be manipulated by men to be ghosted and have my heart shattered Being in hurt and blame and confusion has knocked me out of knowing my worth And when I couldn't make him text me back or use enough tricks to attract him I learned what it meant to take time to heal People like to talk about this but few know what it really means or how to use time to heal effectively A break up or having your heart broken is the Universe giving you a gift There is pain yes but that pain is necessary to move through All high value women have gone through this type of pain On the other side of it they better understand who they are and have a reaffirmed commitment to themselves first High value women come to understand that heartbreak means there is work to do Real urgent work Like completing a major project for the client type of work There is a timeline if you agree to it milestones and resources The aim Reconnecting with yourself Putting your crown back where it belongs The first task involves pulling your energy back from whatever caused you pain and fully coming to terms with your disappointments Taking an inventory of all of the communications verbal and non verbal and what promises were made which ones were assumed and where they came from The second task is understanding how and where we've given someone else the power to make us happy Where have we put the onus on others to heal us from the hurt caused by an ex boyfriend or from our parents Where have we expected that the Universe delivered this man to us to make all of the past traumas okay At the end of this task the high value woman knows this was her mistake The third task requires not being afraid to look at ourselves and those places inside of us where we may have been taking the pleasure they gave us read the dick and confusing that passion for fidelity for promise We come to the realization that our happiness is not in someone else especially not in another man Self forgiveness It sounds easy and yet if we've internalized that we need to be punished in any way if we're waiting for someone else to confess and apologize so we can forgive them this is where we find our biggest lesson It's not at a specific stage of healing self forgiveness must be done with kindness sincerity and humility We must be willing to admit where we've hurt ourselves even though we didn't know any better and we must be willing to forgive The end of this journey is the bliss and love you've been hoping for it is in detachment Finally being able to have feelings for someone else and yet
