Paper View: In Print (Second Edition) Daniel Ford, 2024-08-30 The world has changed immeasurably since 2020 and this book written before anyone had ever heard of Covid 19 places the pandemic into its true context Many of the changes in society since 2020 were predicted in this book which explains the real reason for those transformations of society The book also features an examination of the takeover infiltration and realignment of the alternative media with mainstream perspectives and perceptions Paper View In Print places current events into a completely new context People find the world and daily events so difficult to understand because they lack the necessary knowledge Paper View In Print provides the information to read the world like an open book The world is run by a cult with global reach and power with a nightmare agenda for humanity Never before has their agenda been described so concisely clearly and comprehensively between the covers of one book until now Paper View In Print is a book you will be referring back to many times when seeing current events unfold and society changing around you Over 660 pages Daniel Ford provides an invaluable guide to the world and current events You ve heard the podcast now read the book If you ve ever wanted Paper View in paper form then this is the book for you This is Paper View in print but it s so much more Paper View Extra you might call it An enormous amount of new information not in the original podcast episodes is in this book The book covers a wide range of subjects encompassing the entire spectrum of society and explains clearly and simply the connections placing news stories world events and changes in society in their true context One of the most controversial and explosive books published in 2020 the book doesn t hold back and speaks out on the truth behind them This book could not have been published at a more important time People have a nagging sense of unease and face constant confusion amidst many questions about the world and society Paper View In Print was written to provide the answers and it does so in an accessible way which connects the dots to form the picture The book also features various illustrations Daniel Ford has spent the last 17 years uncovering the answers and investigating official explanations from authority whose simplistic replies only seem to lead to more questions not answers and in this book he presents a life s work in dot connecting to show the true context of our everyday lives This book is highly recommended for parents as the book covers every example of how children and young people today are the most targeted age group and generations in human history including mental health technology and social media gender education school system among many other subjects
