Prevailing Prayer Lifestyle Ovo Imoedemhe, 2019-03-13 *Prevailing Prayer Lifestyle* is a great addition to the volume of literature about prayer Quite honestly and arguably believers pray There seems to be no other time that believers have prayed more than in this generation yet the Lord is calling for more prayers This addition essentially encourages believers worldwide to continue to enforce God's will and superimpose his original intent for creation Accordingly rather than being reactionary in prayer i.e. being prompted to pray when unsavory situations occur and rather than being provoked to anger by obnoxious laws believers should engage the seven P words to prioritise the place of prayer take the appropriate posture be precise be purposeful be persistent and be proportionate in prayers While the proof of prayer may be in the answers and the physical manifestations of the things we pray about *Prevailing Prayer Lifestyle* is a continuum ad infinitum
