

A romantic couple, a man and a woman, are shown in profile, about to kiss. The man is on the left, leaning towards the woman on the right. They are positioned in the upper half of the frame. The background is a sunset over the ocean, with a warm orange and yellow sky and a calm blue sea. The title 'Private PLEASURES' is overlaid on the image. 'Private' is in a white, cursive script font, and 'PLEASURES' is in a black, all-caps, sans-serif font. Below the title, the text 'A PRIVATE SERIES NOVEL' is written in a small, white, all-caps, sans-serif font. At the bottom of the image, the author's name 'JAMI ALDEN' is written in a large, yellow, all-caps, sans-serif font.

**English Books and Readers 1558-1603: Volume 2** H. S. Bennett, 1989 In this second volume of his classic *English Books and Readers* first published in 1965 H S Bennett continues the story down to the end of the reign of Elizabeth I His purpose is to give an account of the total output of books and pamphlets in this period irrespective of their qualities as literature He reveals a picture of astonishing variety and fertility The part of it which concerns the production of imaginative philosophical and religious books is fairly well known but by far the larger proportion of the output of the printing presses consisted of such diverse products as histories and geographies moral treatises translations from the Classics legal and medical text books writings on sports and pastimes seamanship primers of instruction in languages and music the great and famous corpus of travel books volumes of ballads and verses and cheap and sensational pamphlets on such topics as monstrous births strange creatures the evil practices of witches and the diabolical objectives of traitors Besides showing how the printers booksellers and their allies made this enormously diverse mass of material readily available to the Elizabethan reading public the author examines as well the relations between writers and readers

**Patrons and Musicians of the English Renaissance** David C. Price, 1981-02-05 The author examines the secular music of the late Renaissance period primarily through families of varying importance

[The Architecture of Pleasure](#) Josephine Kane, 2016-03-16 The amusement parks which first appeared in England at the turn of the twentieth century represent a startlingly novel and complex phenomenon combining fantasy architecture new technology ersatz danger spectacle and consumption in a new mass experience Though drawing on a diverse range of existing leisure practices the particular entertainment formula they offered marked a radical departure in terms of visual experiential and cultural meanings The huge socially mixed crowds that flocked to the new parks did so purely in the pursuit of pleasure which the amusement parks commodified in exhilarating new guises Between 1906 and 1939 nearly 40 major amusement parks operated across Britain By the outbreak of the Second World War millions of people visited these sites each year The amusement park had become a defining element in the architectural psychological pleasurescape of Britain This book considers the relationship between popular modernity pleasure and the amusement park landscape in Britain from 1900 1939 It argues that the amusement parks were understood as a new and distinct expression of modern times which redefined the concept of public pleasure for mass audiences Focusing on three sites Blackpool Pleasure Beach Dreamland in Margate and Southend s Kursaal the book contextualises their development with references to the wider amusement park world The meanings of these sites are explored through a detailed examination of the spatial and architectural form taken by rides and other buildings The rollercoaster a defining symbol of the amusement park is given particular focus as is the extent to which

discourses of class gender and national identity were expressed through the design of these parks      *The Tempter's Voice* Eric Jager,2018-07-05 Why was the story of Adam Eve and the Serpent so important to medieval literary culture Eric Jager argues that during the Middle Ages the story of the Fall was incorporated into a comprehensive myth about language Drawing on a wide range of texts Jager shows how patristic and medieval authors used the Fall to confront practical and theoretical problems in many areas of life and thought including education hermeneutics rhetoric feudal politics and gender relations Jager explores the Fall s meaning for clergy and laity nobles and commoners men and women Among the works Jager discusses are texts by Ambrose Augustine the early Christian poet Avitus and scholastic authors Old English biblical epics Middle English spiritual writings French courtesy books and the poetry of Dante and Chaucer Examples from the visual arts are included as well Jager links medieval interpretations of the Fall to underlying cultural anxieties about the ambiguity of the sign the instability of oral tradition the pleasure of the text and the many rhetorical guises of the tempter s voice He also assesses the modern and postmodern legacy of the Fall showing how this myth continues to embody central ideas concerning language *The Tempter s Voice* will be essential reading for scholars and students in such fields as medieval studies literary theory gender theory comparative literature cultural history and the history of religion      *Screening Adult Cinema* Farrah Freibert,Peter Alilunas,Desirae Embree,2025-08-29 This collection of 39 original essays is designed to support film screenings Each chapter focuses on a single adult film a category broadly construed as films that foreground sex as a primary narrative aesthetic or marketing element The chapters draw on a variety of perspectives contexts histories themes and politics in examinations of style genre authorship performance and stardom The first of its kind *Screening Adult Cinema* brings together a broad range of established scholars alongside new voices to demonstrate the global breadth and diversity of adult cinema from a variety of time periods and transnational contexts paying particular attention to regions and films that have been underrepresented within existing adult film scholarship Following the *Screening Cinema* series *Screening Adult Cinema* is intended as a teaching text and reference for courses in which film screenings are a core activity while also appealing to adult film scholars This unique collection will be invaluable for courses on adult or exploitation film history feminist film studies global queer cinema and porn studies It will also be useful for general courses in media studies with a focus on gender sex and sexuality      **Signs of Power in Habsburg Spain and the New World** Jason McCloskey,Ignacio López Alemany,2013-03-22 *Signs of Power in Habsburg Spain and the New World* explores the representation of political economic military religious and juridical power in texts and artifacts from early modern Spain and her American viceroyalties In addition to analyzing the dynamics of power in written texts chapters also examine pieces of material culture including coats of arms coins paintings and engravings As the essays demonstrate many of these objects work to transform the amorphous concept of power into a material reality with considerable symbolic dimensions subject to and dependent on interpretation With its broad approach to the discourses of power *Signs of Power* brings together studies

of both canonical literary works as well as more obscure texts and objects The position of the works studied with respect to the official center of power also varies Whereas certain essays focus on the ways in which portrayals of power champion the aspirations of the Spanish Crown other essays attend to voices of dissent that effectively call into question that authority
