**Thinking America** Charles Lemert,2025-01-31 In this dynamic book Charles Lemert elaborates a vigorous distinctive and  
 creative American tradition in social thought American social theory has tended to be overshadowed by European social  
 thought Yet looking deeper Americans have always made important contributions to social theory Drawing upon the work of  
 a dazzling array of both seminal and unjustly overlooked philosophers sociologists litterateurs and political activists Lemert  
 constructs a coherent yet variegated intellectual framework for understanding American social theory and culture from the  
 colonial era to the present In doing so Lemert analyses American intellectual attitudes on race gender popular culture  
 political thought capitalism and social movements while also exploring schools of thought from transcendentalism and  
 pragmatism to interactionism and intersectionality In his inimitable style Charles Lemert a master of finding theory where  
 you d least expect it offers a masterful rendering of the American tradition in social theory In doing so Lemert shines new  
 light on social theory and American history Both authoritative and accessible this indispensable work will be essential  
 reading for students scholars and general readers with interests in social theory and American social history      *Supplement*
