Making it Right Stephen N. Gaiski,2009 Lemon-Aid New and Used Cars and Trucks 2007-2017 Phil Edmonston,2017-03-11 Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car and truck book on the market Dr Phil along with George Iny and the Editors of the Automobile Protection Association pull no punches **The Difference** Scott E. Page,2008-08-11 In this landmark book Scott Page redefines the way we understand ourselves in relation to one another The Difference is about how we think in groups and how our collective wisdom exceeds the sum of its parts Why can teams of people find better solutions than brilliant individuals working alone And why are the best group decisions and predictions those that draw upon the very qualities that make each of us unique The answers lie in diversity not what we look like outside but what we look like within our distinct tools and abilities The Difference reveals that progress and innovation may depend less on lone thinkers with enormous IQs than on diverse people working together and capitalizing on their individuality Page shows how groups that display a range of perspectives outperform groups of like minded experts Diversity yields superior outcomes and Page proves it using his own cutting edge research Moving beyond the politics that cloud standard debates about diversity he explains why difference beats out homogeneity whether you re talking about citizens in a democracy or scientists in the laboratory He examines practical ways to apply diversity s logic to a host of problems and along the way offers fascinating and surprising examples from the redesign of the Chicago El to the truth about where we store our ketchup Page changes the way we understand diversity how to harness its untapped potential how to understand and avoid its traps and how we can leverage our differences for the benefit of all *Popular Science* ,2007-05 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Lemon-Aid Used Cars and Trucks 2012-2013** Phil Edmonston,2012-05-19 Lemon Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market U S automakers are suddenly awash in profits and South Koreans and Europeans have gained market shares while Honda Nissan and Toyota have curtailed production following the 2011 tsunami in Japan Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the
