Teaching New Literacies in Grades 4-6 Barbara Moss, Diane Lapp, 2009-11-24 Upper elementary students encounter a sometimes dizzying array of traditional and nontraditional texts both in and outside of the classroom. This practical handbook helps teachers in grades 4-6 harness the instructional potential of fiction, poetry, and plays, informational texts, graphic novels, digital storytelling, Web-based and multimodal texts, hip-hop advertisements, math problems, and many other types of texts. Twenty-four complete lessons promote critical literacy skills such as comprehending, analyzing, and synthesizing information and using writing to communicate new ideas and pose questions. Snapshots of diverse classrooms are accompanied by clear explanations of the research base for instruction in each genre. Ready-to-use reproducibles are included. **Reading**

Framework for the ... National Assessment of Educational Progress United States. National Assessment Governing Board, 2008. *Simply Stations: Listening and Speaking, Grades K-4* Debbie Diller, 2020-01-22 Teach students how to practice listening comprehension skills independently so learning sticks. *Simply Stations: Listening and Speaking* shows how to ensure that elementary students are purposefully and effectively practicing listening comprehension, accountable talk, phonological awareness, oral language, and vocabulary skills every day. Your students will soon be purposefully engaged and making critical steps to owning their learning. Debbie Diller has been refining literacy stations, sometimes called centers, for more than 40 years, working with thousands of teachers and students. In this book, she guides you step by step through planning for instruction that incorporates literacy standards, setting up and launching listening and speaking stations, varying and refreshing content throughout the year, to reflection and ongoing modification. What stands out in this book is the full integration of instruction. Debbie shows how whole-group lessons transfer to stations work so students are practicing key skills independently and gives you everything needed for success. Recommendations by grade level at every step, including grade-appropriate materials and audio resources for each station. Whole-group lesson plans differentiated by grade level and based on key literacy standards to introduce and support partner work. On-the-spot formative assessment ideas and troubleshooting tips. Ideas to improve English Language Learners' language acquisition, including online Spanish language materials. 30 time-saving downloadable resources for teachers and students to ensure success. Dozens of full-color real classroom photos so you see the possibilities first-hand. *Simply Stations: Listening and Speaking* gives you invaluable tips, solutions, and insight that can transform the way your students learn and practice listening and speaking skills.
