

Assessment 2: Environmental Assessment Report

Due: Sun 24 September 2023, 11:55 pm; Worth 30 %

The aim of this assessment is to conduct an environmental assessment for a local site (Week 7 prac) and to present the findings in a report to the Sustainability Working Group at the City of Ryde Council. The length of the report should be a maximum of 6 pages, including text (max 1500 words), references, figures and tables.

Audience for your report

You are preparing your report for the Sustainability Working Group at Ryde Council (<https://www.ryde.nsw.gov.au/Council/Committees/Working-Groups/Sustainability-Working-Group>). The group's role is to consider matters and inform Council and Council officers of community views and likely impacts regarding:

1. Protection of biodiversity,
2. Protection of Natural Areas, including waterways and habitat corridors, and
3. Promotion and implementation of environmentally sustainable initiatives in the Ryde Council area.

Area investigated

The site that you have chosen to report on is the riparian corridor and adjacent urban areas along Shrimptons Creek between Epping Road and Waterloo Road. This area is under pressure from:

- Increasing large-scale urban development,
- Increasing need for recreation and open space areas for the local community, and
- The need to protect the environmental and social values of the site, maintain connections between remnant patches of vegetation and rehabilitate areas affected by urban degradation, such as Shrimptons Creek.

Your approach and concerns

You have recently undertaken an environmental assessment of the corridor and noted down several issues and impacts.

In particular, you are concerned about the size and scale of all the new developments and the potential impacts that these will have on the Shrimptons Creek Corridor. You are particularly concerned about the issues of:

- Stream health e.g. weeds, pollution, litter/rubbish, flooding, erosion, loss of large trees
- Protection of the Shrimptons Creek Corridor, both as an important local habitat (Green Corridor) and as an important asset for the community and region in terms of the Green Links Project.

Aim of your report

The aim of your report is to outline your views and recommendations with supporting evidence, including evidence from your assessment of the site.

You need to:

1. Make clear how the issues are linked to urban development, and
2. Apply your knowledge of environmental planning to suggest where the Council can proactively reduce the impacts of development on the Shrimptons Creek corridor.

Procedures For Writing Environmental Assessment Report Introduction

In the digital age, access to information has become easier than ever before. The ability to download Procedures For Writing Environmental Assessment Report has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Procedures For Writing Environmental Assessment Report has opened up a world of possibilities. Downloading Procedures For Writing Environmental Assessment Report provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Procedures For Writing Environmental Assessment Report has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Procedures For Writing Environmental Assessment Report. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Procedures For Writing Environmental Assessment Report. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Procedures For Writing Environmental Assessment Report, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Procedures For Writing Environmental Assessment Report has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
