

32.2 Lutheranism

Read Section 32.2. In the corresponding part of the drawing, record at least two key ideas about each of the topics listed below.

- origins of the religion

Lutheranism was founded by Martin Luther in Germany in 1521.

- beliefs about sin and salvation

Lutherans believed that salvation was a gift from God. It was received by people if they sincerely believed in Jesus, were sorry for their sins, and accepted the Bible as truth. Luther called this "justification by faith."

- beliefs about the ultimate source of authority

Lutherans believed that the Bible was the only true source of religious guidance. They rejected the authority of church councils and the pope.

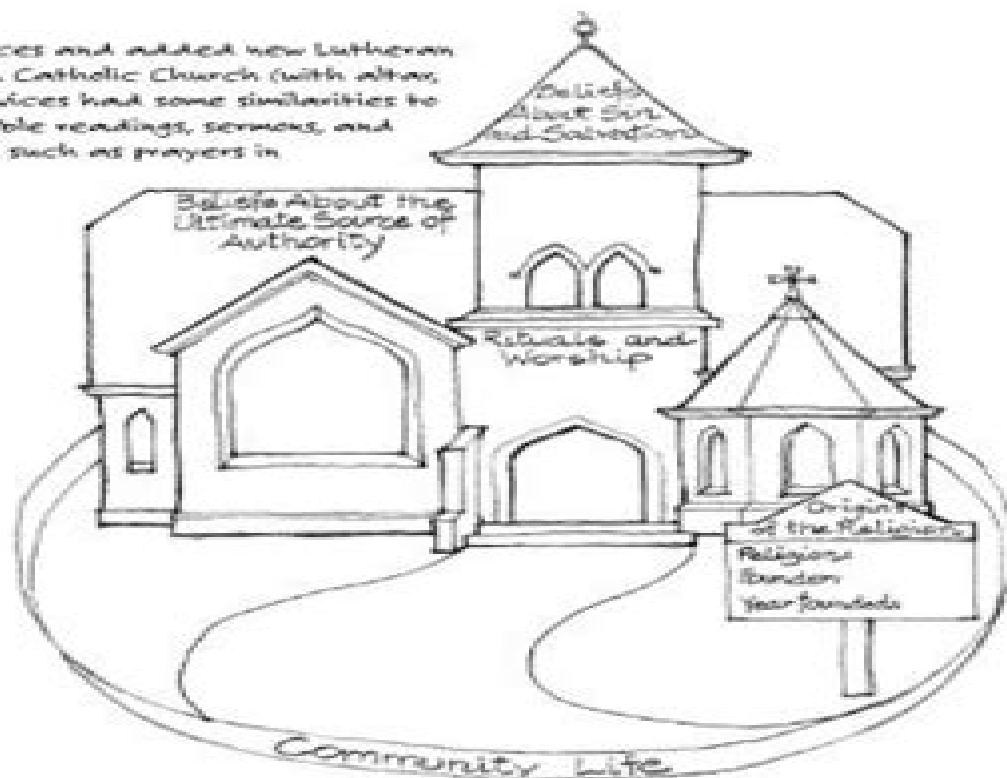

- rituals and worship

Lutherans kept some Catholic practices and added new Lutheran ones. The church looked much like a Catholic Church (with altars, crucifix, and candles). Lutheran services had some similarities to Catholic mass, such as Communion, Bible readings, sermons, and hymns. There were also differences, such as prayers in German instead of Latin and two sacraments instead of seven.

- community life

Luther emphasized strict discipline and large, strong families. Children were taught to pray before meals and bed.

Answers will vary.
Some possibilities are
listed for each topic.
