Real Estate Guide Mortgages:

Nothing Down? Nothing Doing! Real Estate Guide for First-Time Buyers Alan Ray Hoxie, 2002-09 You've probably seen the infomercials on television offering books and tapes that show you how to buy and sell real estate with nothing down. But if making a fortune was as easy as the infomercials claim, why aren't the authors looking for the next big deal rather than peddling books and conducting seminars? This book shows you how to avoid the pitfalls that come from such get-rich-real-estate claims and reviews how you can really acquire property without a great deal of money. This book also discusses ways to buy and sell your first home. This will give you a head start when you enter the increasingly competitive real estate market. So forget the claims you see on television and read this book if you truly want to give real estate a try. **The Complete Guide to Passing Your Real Estate Sales License Exam on the First Attempt** Ken Lambert, 2008 Presents a clear and complete overview of all the main topics covered on the real estate salesperson examination. [The Real Estate Investor's Guide to Financing](#) is the one book that shows readers how to get the right financial package for the biggest return on their investment. As a respected author and mortgage banker, David Reed has spent more than 20 years helping investors finance their properties. Complete with essential advice on financing and a glossary of investment terms, this is the one guide that will help readers start making real money. **The Beginner's Guide to Real Estate Investing** Gary W.
