Worship Leaders, We Are Not Rock Stars Stephen Miller, 2013-07-31 Why do you lead worship Often the motives are mixed You find yourself wanting to point people to Jesus but also feeling a desire to be noticed and praised to make yourself the center of attention Stephen Miller is the worship pastor for a large church of young energetic Christians He and his band record albums and lead worship for conferences all over the country He knows the temptation to make himself the show to pursue fame to seek the applause of other people And he has learned to want nothing to do with it In this book Miller exhorts his fellow worship leaders to make Jesus the center of all their efforts He teaches how to do this with Scripture teaching prayer story and song In all Miller s call for worship leaders is to lead worship whole

hearted and whole minded exalting of God rather than making a spectacle out of it Worship Leaders We re Not Rock Stars will encourage and challenge worship leaders by clarifying their purpose and identity and by doing so will bless those they lead

All I Ever Wanted Kathy Valentine, 2020-03-31 Runner up Carr P Collins Award for Best Book of Non Fiction 2021 Go Go s bassist Kathy Valentine s story is a roller coaster of sex drugs and of course music it s also a story of what it takes to find success and find yourself even when it all comes crashing down At twenty one Kathy Valentine was at the Whisky in Los Angeles when she met a guitarist from a fledgling band called the Go Go s and the band needed a bassist The Go Go s became the first multi platinum selling all female band to play instruments themselves write their own songs and have a number one album Their debut *Beauty and the Beat* spent six weeks at the top of the Billboard 200 and featured the hit songs *We Got the Beat* and *Our Lips Are Sealed* The record s success brought the pressures of a relentless workload and schedule culminating in a wild hazy substance fueled tour that took the band from the club circuit to arenas where fans promoters and crew were more than ready to keep the party going For Valentine the band s success was the fulfillment of a lifelong dream but it s only part of her story *All I Ever Wanted* traces the path that took her from her childhood in Texas where she all but raised herself to the height of rock n roll stardom devastation after the collapse of the band that had come to define her and the quest to regain her sense of self after its end Valentine also speaks candidly about the lasting effects of

parental betrayal abortion rape and her struggles with drugs and alcohol and the music that saved her every step of the way Populated with vivid portraits of Valentine s interactions during the 1980s with musicians and actors from the Police and Rod Stewart to John Belushi and Rob Lowe All I Ever Wanted is a deeply personal reflection on a life spent in music **Rockstar Games and American History** Esther Wright,2022-08-22 For two decades Rockstar Games have been making games that interrogate and represent the idea of America past and present Commercially successful fan beloved and a frequent source of media attention Rockstar s franchises are positioned as not only game changing ground breaking interventions in the games industry but also as critical cultural histories on America and its excesses But what does Rockstar s version of American history look like and how is it communicated through critically acclaimed titles like Red Dead Redemption 2010 and L A Noire 2011 By combining analysis of Rockstar s games and a range of official communications and promotional materials this book offers critical discussion of Rockstar as a company their video games and ultimately their attempts at creating new narratives about U S history and culture It explores the ways in which Rockstar s brand identity and their titles coalesce to create a new kind of video game history how promotional materials work to claim the authenticity of these products and assert the authority of game developers to perform the role of historian By working at the intersection of historical game studies U S history and film and media studies this book explores what happens when contemporary demands for historical authenticity are brought to bear on the way we envisage the past and whose past it is deemed to be Ultimately this book implores those who research historical video games to consider the oft forgotten sources at the margins of these games as importance spaces where historical meaning is made and negotiated Watch our book talk with the author Esther Wright here https://youtu.be/AaC_9XsXCQ
