successful teacher stories Lanier's powerful memoir illuminates a more common experience of Teaching For America with thoughtful complexity a poet's eye and an engaging voice As hard as Lanier worked to become a competent teacher she found that in The Terrordome idealism wasn't enough To persevere she had to rely on grit humility a little comedy and a willingness to look failure in the face As she adjusted to a chaotic school administration crumbling facilities burned out colleagues and students who perceived their school for the failure it was she gained perspective on the true state of the crisis TFA sets out to solve Ultimately she discovered that contrary to her intentions survival in the so called Charm City was a high expectation
