TheIMC2009programconsistedofthreeinvitedtalksfrominternational perts four tutorials on fundamental techniques related to the conference topics nine regular paper sessions and a short paper poster session We received close to 50 submissions from 15 countries world wide Based on the ano mous reviews provided by members of the international Program Committee the Steering Committee recommended accepting 50% of the contributions as regular papers and another 15% as short papers with poster presentation To our regret there were a few interesting papers that we had to reject However the reviewing results showed a high quality as well as an interesting variety of submissions We would like to thank all authors for carefully

preparing the results of their work submitted to IMC 2009 thus enabling an interesting and high quality conference program. Moreover, we are deeply grateful to all members of the Program and Steering Committees for their efforts in quickly and thoroughly evaluating the papers. Finally, our special thanks go to the organizers Ulrike Lucke and Daniel Versick for their great work. They handled all the organizational tasks as well as the communications, the electronic submission, reviewing and publication procedure in an efficient and timely manner.
