Encyclopædia Biblica Thomas Kelly Cheyne, John Sutherland Black, 1901. **Narrative Art and Poetry in the Books of Samuel** Jan Fokkelman, 2018-07-17
 Narrative Art and Poetry in the Books of Samuel is the vast undertaking to interpret all the material in Samuel. Everything that the text has to offer can only be understood and appreciated to the full, and its interpretation can only lay claim to full validity by means of an integral view. Therefore, the author has developed a textual model which regards and covers the composition of the Samuel books as a hierarchy of twelve levels. This is the fourth and final volume of the author's integrative reading of the Samuel material in its entirety. Vow and Desire turns to the beginning of First Samuel and describes chapters 1-12. They contain the thematic basis of the whole composition by relating the crucial transition between two periods. The Judges period represented by Eli and Samuel is drawing to a close, and the new order shows us the prophet Samuel who finds himself forced to anoint Saul as king and thus to inaugurate the monarchy. **Isaiah (Understanding the Bible**

Commentary Series) John Goldingay, 2012-07-01. The book of Isaiah depicts for its readers what happens when Isaiah volunteers to become Yahweh's gofer when he acts and speaks on Yahweh's behalf with Yahweh's authority. In this careful and insightful commentary on Isaiah, Goldingay unfolds the voices and messages of those prophetic actions and experiences. While doing this, he points out that three attributes of Yahweh come into distinctive focus in Isaiah: Yahweh's majesty and authority, Yahweh's passion in anger and compassion, and Yahweh's insight and capacity to formulate a plan and put it into effect. Goldingay also examines the way Isaiah thinks about the people of God and the relationship between the vision of who they could be, the reality of who they were, the calamity of that contrast, and ultimately the promise Yahweh offers to them.
