Extracurricular Involvement and Leadership

I believe in the holistic development of an individual, and my extracurricular activities reflect this belief. I am also an active member of the debate club, where I have developed my public speaking and critical thinking abilities.

Community Service and Social Responsibility

Understanding the importance of giving back to the community, I have been involved in various community service projects. One initiative close to my heart is the 'Read to Lead' program, where I tutor underprivileged children. This experience has been profoundly rewarding and has taught me the values of empathy, patience, and social responsibility.
