 Literacy Leaders* Anne C. Ittner,Amy Frederick,Darl Kiernan,Donald R. Bear,2023-08-22 Word study is an approach to
 teaching phonics vocabulary and spelling that is based on a developmental model described by Henderson and his students
 Given the reciprocal nature between reading and writing phonics spelling and vocabulary are integrated in instruction
 Teachers understand that this word study approach integrates phonics spelling and vocabulary and have challenged us to
 share concrete examples of how teachers organize and implement word study and how literacy educators in universities and
 school districts conduct professional learning for word study The primary goal then is to make word study work for our
 students The authors of each chapter show how literacy leaders and teacher educators guide others in a wide variety of
 educational settings Stories in this volume capture classroom conversations describe professional learning communities and
 present coaching scenarios that will resonate with reader s experiences **Digital-age Literacy for Teachers** Susan
