Language Learning Beyond the Classroom David Nunan,Jack C. Richards,2015-01-30 This volume presents case studies of language learning beyond the classroom The studies draw on a wide range of contexts from North and South America to Europe and the Asia Pacific region Each provides principled links between theory research and practice While out of class learning will not replace the classroom ultimately all successful learners take control of their own learning This book shows how teachers can help learners bridge the gap between formal instruction and autonomous language learning Although English is the primary focus of most chapters there are studies on a range of other languages including Spanish and Japanese

Spanish Short Stories For Beginners (Vol 1) Mobile Library,2018-05-20 Hola Hello Did you understand this first Spanish word Yes you did Why Because it was presented to you using a new technique that is making learning languages easier than ever the Bilingual Reading We created this book using this technique so that you can learn Spanish in a fast and fun way and whenever you want How does this work It is simple Bilingual Reading works by reading two versions of the same book or text at once One version will be on the language you want to learn in this case we will help you to learn Spanish and the other version will be in your native language or some other language you are comfortable with here we will use English Using this method you will quickly start discovering the meaning of the words in Spanish and accumulating vocabulary that will soon allow you to read texts that are more complex without having to spend hours and hours looking for every word meaning on a dictionary and trying hard to memorize it In order to make it easier for you to learn Spanish in a fun way we gathered in a word a very special group of 12 Spanish short stories These 12 Spanish short stories for beginners were written using straightforward grammar that is comprehensible for beginners and that will help you rapidly gain more Spanish vocabulary and comprehension Using Spanish English parallel text this book will increase your bilingual reading comprehension skills and maximize the time you invest in reading The book is organized as a Spanish learning book you can start by reading each paragraph of each story in the two languages in Spanish English parallel text then move to read the full story in each

language rereading to consolidate the Spanish fundamentals whenever is necessary This way you will feel the progress of Spanish language learning when moving from story to story and see your Spanish vocabulary grow as your bilingual reading comprehension increases allows you to learn Spanish easily and more than that you can learn Spanish in a fast and fun way You can even dedicate it a few moments every day so you can even learn Spanish in 10 minutes a day if you want Let s Start The Volume 2 is also available Get it also to learn even more words in Spanish with 10 new short stories *Becoming Readers and Writers* Christopher J. Wagner, Katherine K. Frankel, Christine M. Leighton, 2023-07-31 Centered around the idea that literacy teaching is more than the transmission of strategies and skills this volume serves as a foundation for approaching literacy from an identity perspective Through incisive and accessible chapters from top scholars it introduces readers to the concept of literate identities examining them across ages and grade levels to present an overview of how scholars and educators can use this concept in their research and teaching Organized by developmental level with sections on early childhood middle childhood adolescence and cross age research contributors reveal how literacy can be framed as an identity practice to engage students and support their development Applying a range of theoretical perspectives and frameworks each chapter identifies the identity theory used explains the relevant methodology and research questions covers implications for practice and includes questions or prompts for discussion The volume reveals how understanding literate identities is at the heart of effective and inclusive literacy instruction by addressing key topics including culturally relevant pedagogy intersectionality and transnationalism among others Illuminating multiple pathways to understanding students as readers and writers this book is essential for teachers scholars and researchers in literacy education research methods and multicultural education
