SUMMER Comic Book Writing

You will need:

- Summer story brainstorming and comic pages
- Crayons, colored pencils, markers, etc.

Instructions:

- Share this worksheet with your child. We got in the car to go to the zoo as a family. After that we got in the car to go to the beach. After a while they saw the whale. We thought to go out while they closed the zoo. When we walked, we thought not again. They were confused then when they saw the whale again, we got back in the car when it was time to go. We got back in the car and drove home.
- Ask your child if they can think of their own summer stories that have lots of details. Just like the example. Then ask your child what they know about the format of comic books (such as in comic books or exclamationary words, conversations, etc.).
- Tell the your child that they will be writing about their own summer stories, comic book style. They will need to think of a story, and have several things that happened during their story.
- Tell the children that first, they need to come up with their summer story comic. Have your child fill out the summer brainstorming graphic organizer. Then they can think of 2-3 ideas for their summer story. Then they can choose one story comic using the summer comic book writing template.
