This is my story, a true story of how my life changed since winning the lottery in April 2006. It includes the controversial reality show *Million Dollar Christmas*, which aired December 2007. I received both positive and negative feedback from people across the United States. My story in this book includes the love I received, the hate, the hopes, and regrets that come with a life-altering change. After reading this book, perhaps you will be able to answer this question: Is winning the lottery a blessing or a curse?
