Service** Robert W. Service, 2012-04-28 The writing of Robert W Service is mostly known through his poems and ballads Immortalized by his two iconic ballads *The Cremation of Sam McGee* and *The Shooting of Dan McGrew* he has entered the world's imagination as the Bard of the Yukon But Service was much more than a chronicler of the Great North A traveller and adventurer who tried his hand at many occupations Service left a fascinating set of impressions the successful literary life in the course of which he produced everything from poems and ballads to fictional romance to thrillers and how to stave off the dreary process of aging Robert W Service is a fresh selection of the most interesting and significant works of the author with a biographical introduction and a select bibliography of additional readings **Collected Poems of Robert Service** Robert William Service, 1940 The author has caught the spirit of wanderlust that exists in each of us and it lives in his poetry *The Illustrated Robert Service* Robert Service, 2006-01-01 Classic Robert Service poems illustrated with turn of the century photos **Special Service : the Best Poems of Robert W. from it some savages taking to their canoes because it seems demonic yet others equally savage enraptured by this miracle of sound Robert Service touches the heart and soul of the rough and raw Klondike in the early 1900 s and shows us the soul s emotions and colors from inky black to pure gold
