Pornography Addiction Destroying The Habit Breaking The Cycle:

Pornography Addiction Jay Anthony, 2015-02-12 Ten years ago pornography became the chains around my wrists and the shackles around my feet It worked its way into every facet of my life and began destroying me from the inside out My relationships my motivation my aspirations all of these things were being crushed under the weight of my addiction I had tried multiple times in the past to break free from this self erected prison cell but it seemed hopeless One day after another failed attempt I decided enough was enough Last month I made the promise to myself that I wasn't going to remain a slave to pornography any longer I held on tightly to that promise like it was my mother's hand refused to let go and worked harder than I ever had before to rid myself of this nasty habit It started slowly but eventually a week passed Then another Before I knew it I had abstained from pornography for an entire month the longest I had gone in years And I won I beat my addiction This book began as a journal and eventually evolved into what is it today a self help guide packed full of advice resources and even weekly summaries pertaining to my own experiences I initially wrote this because it allowed me to gain a unique perspective on my own addiction but I'm realizing that it has the potential to help others as well I'm not a brilliant writer by any means nor do I have the credentials to give life changing advice but if this book can help even a single individual break their addiction toward pornography then I'd consider it a priceless masterpiece To help someone breathe the same air of freedom that I've been filling my lungs with since quitting would be one of the greatest gifts I could ever receive This is my goal This is my purpose Maybe you are one of the millions who have fallen into this never ending cycle Maybe you are beginning to feel the detrimental affects of pornographic dependence It's an intimidating reality to face but the reward for facing it is much more beautiful than you can possibly imagine If I was allowed to tell you only two words from this point forward they would be break free Don't remain under the thumb of your computer screen Don't let pictures of strangers on the internet dictate the direction of your life Make the decision Don't wait another day because days make way for years Years simply make way for decades Be the change in your own life Break the chains Be free What Extraordinary People Know Anthony Moore, 2019-08-06 What's the secret to extraordinary Being stuck in mediocrity sucks It's easy to identify the symptoms of this disease in your life are you chronically bored Do you wake up knowing today is going to suck Are you constantly fighting off feelings of emptiness exhaustion and knowing you're wasting your life Well eff that Every moment of every day you can choose to be extraordinary You can choose to become someone you're incredibly proud to be who accomplishes amazing goals and achieves greatness What Extraordinary People Know guides you through how to be free of the mediocrity trap starting with the inspiration tools and kick in the ass you need to get your life going in high gear from behavioral change and personal growth expert Anthony Moore As someone who took his own life from ordinary to extraordinary Moore has created a three step path to breaking free of Mediocrity and becoming the hero of your own life Are you ready to win **Creative Life** Bandhu Dunham, 2020-01-01 This book is about the interface of art and spirituality in

pornographic material starts to dominate an individual s daily life affecting mental emotional and even physical well being Understanding this phenomenon requires a holistic look at how modern technology societal influences and neurobiological factors converge to create an environment in which such compulsions can take root At its core porn addiction can be viewed

as a maladaptive coping mechanism Many individuals turn to porn as a way to escape stress anxiety or feelings of inadequacy seeking solace in a virtual world that offers a temporary reprieve from their problems However what begins as a form of self medication can quickly evolve into an uncontrollable habit The accessibility and anonymity provided by the internet have only amplified the prevalence of this behavior allowing individuals to indulge in it without immediate consequences Over time the brain s reward system becomes hijacked by repeated exposure to high stimulation content leading to a cycle where more extreme material is needed to achieve the same level of satisfaction Porn is Not the Enemy ByteBazzar
