The Convenience Revolution Shep Hyken, 2018-10-02

Convenience is King When you make it easier for customers to do business with you they will reward you with their money their loyalty and their referrals There s a reason they call it a convenience store because it s convenient When you have to pick up a gallon of milk would you rather stop by a large supermarket or a 7 Eleven

Customers who shop at convenience stores know the selection is smaller and the prices are often higher yet they still come in droves because of the ease of purchase What about the minibar in your hotel room That s convenient too but the convenience comes at a cost Did you ever stop to think that the same 5 00 can of Coca Cola in the hotel s mini fridge can be bought down the hall from the vending machine for just 1 25 Yet even with that can of Coke being four times more expensive hotels are restocking minibars every day Customers will pay for convenience And they ll choose to do more business over time with the people and companies that make their lives more convenient Whether you re trying to out service a competitor or disrupt an entire industry creating less friction and being more convenient for your customers should be your strategy When you raise the convenience bar you create the next level of amazing customer experience This book shows you how to leverage convenience as a powerful way to differentiate yourself from your competition You ll learn six compelling strategies supported by numerous examples and case studies that will fuel your plan to create a focus on convenience for your customers The value proposition is both simple and profound when you reduce friction and make it easier for customers to do business with you they ll reward you with their money their loyalty and their referrals That s the advantage of being a part of The Convenience Revolution
