home Everything that is beyond the four narrow walls of her home and is not closely connected with her domestic duties is not supposed to concern her In the woman question then we find two contending parties just as in the labor question which relates to the position of the workingman in human society Those who wish to maintain everything as it is are quick to relegate woman to her so called natural profession believing that they have thereby settled the whole matter They do not recognize that millions of women are not placed in a position enabling them to fulfill their natural function of wifehood and motherhood owing to reasons that we shall discuss at length later on They furthermore do not recognize that to millions of other women their natural profession is a failure because to them marriage has become a yoke and a condition of slavery and they are obliged to drag on their lives in misery and despair To be continue in this ebook Witch Hunt Richmond West,2009-02-24 Passionate and provocative this novel faces the issue of our society s sexual McCarthyism head on especially as it manifests in abuses of hostile environment sexual harassment law Lupe Diego a lapsed Catholic philosophy professor with a feminine Spanish name faces accusations after a relationship goes sour Encountering gender prejudice along the way plus faced with losing his career Lupe finds a renewed faith Even as he sees gay friends fall under a wave charges when tyrannical sexual ideology rocks the campus A Dictionary of the English Language Samuel Johnson,1827

Honor and a Loaf of Bread Bill Waldron, Marge Waldron, Jan Waldron, Ed Votroubek, 2012 Like other families letters were the fabric that held the fledgling Waldron family together during the personally trying society changing events of World War II Bill the town baker voluntarily became an infantry soldier and platoon scout in Europe and Marge a new wife became the town baker the Waldron's version of Rosie the Riveter Nothing in their lives had prepared them for these roles yet everything in their lives made them equal to the tasks at hand Their letters to one another provide an intimate view of an American family triumphing in the face of adversity Duty Honor Faith Love and Family all play a role and readers will come to love and admire both of them Bill's letters from the Battle of the Bulge the Siegfried Line and through the end of the war across Germany and into Czechoslovakia are particularly interesting He reveals himself as a down to earth patriot who volunteered for a very dangerous job and excelled a man with survivor's instincts who avoided illness frostbite and wounds under extremely difficult circumstances Historical perspective is provided by sidebars throughout the book which explain matters referred to in the letters as well as what is going on in the war and at home The sidebars are themselves an education made immediate and interesting by the personal experiences conveyed in the letters Page 4 of cover
