Geographers Elizabeth Baigent, André Reyes Novaes, 2021-08-12 Geographers is an annual collection of studies on individuals who have made major contributions to the development of geography and geographical thought Volume 39 celebrates the contribution of Hugh Clout to the discipline The thirty ninth volume of Geographers Biobibliographical Studies

adds significantly to the corpus of scholarship on geography's multiple histories and biographies each chapter includes a select biography of its chosen figure and a brief chronology of their work In this edition Hugh Clout memorialises the forgotten those who had made an important local contribution which went unnoticed on the national stage or those who continued along the intellectual path blazed by one of the discipline's major figures and thus helped to secure the reputation of that major figure In this collection of essays Clout draws from used literary works reviews in the scholarly and other press obituaries in newspapers and geographical publications funeral orations and papers in a large number of archives Each study includes a select bibliography and a brief chronology The work includes a general index and a cumulative index of geographers listed in volumes published to date As with other volumes in the series the purpose is not to evaluate but to present individuals and their contributions as they really were and in the context of their time Published under the auspices of the International Geographical Union *Peak Revision K.C.S.E. Geography , A Catalogue of British Scientific and Technical Books* British Science Guild,1921 *Geographers* Hayden Lorimer,Charles W. J. Withers,2015-10-29 Volume 34 of *Geographers Biobibliographical Studies* features eight essays that together demonstrate geographers diverse scholarly engagement with the practise of their subject There are two physical geographers a Frenchman and an Englishman both geomorphologists a British historical geographer a French colonial geographer a Russian explorer naturalist of Central Asia and Tibet a British born but long time Australian resident and scholar of India Pakistan and the Pacific world an American regionalist and eugenicist and a Scots born long time American resident one of the world's leading Marxist geographers and urban theorists Equally but differently committed to geography's many specialisms these subjects wonderfully illuminate the vibrancy and the contradictions behind the living of geographical lives **Geography Textbook** D R Khullar, A text book on Geography University of California, Berkeley Summer Session University of California, Berkeley,1914
