

# Finance Interview Questions And Answers

Question # 1: What is finance?

Answer >

A broad term used to describe many aspects of finance or the financial industry, such as financial instruments, financial services, financial institutions, financial advisers or financial planning.

Question # 2:

What do you think motivates you?

Answer >

When an interview question about your motivation is asked it is designed to determine whether you have the right motivation to be a good fit for the company and the position offered.

Make sure you make you describe your motivation in a manner that is relevant to the job.

Question # 3:

What was your major achievement in your career?

Answer >

Choose one of your most notable achievements and why you felt it was important.

Keep it relevant to the finance position you are applying for. Discuss the challenges you faced and tell the interviewer how your achievement can help you succeed in your new position.

Question # 4:

What would your plan be to adapt so you could effectively work with the team and how would you approach teamwork?

Answer >

Finance interviewers are looking for team players who can build strong relationships and play an integral role in the team's success. In the financial industry, it is imperative that you can successfully work in a team environment and that you are highly adaptable.

Question # 5:

Give an example of a recent winning situation you successfully negotiated.

Answer >

Think carefully before you answer because the object of this question is to explore whether you are capable of communicating information and whether you have the ability to communicate in a way that will gain the acceptance and agreement you are seeking.

Question # 6:

How do you persuade others to see your point of view?

Answer >

In the finance industry financial professionals often have to persuade influential people to count on their expertise, follow their advice and use their services. Your interviewer will want to make sure you are able to determine the best approach to achieve what you want by influencing clients.
