Quick Bites For Spare Moments:

Quick Bites for Spare Moments R.K MURTHI,2015-06-01 Quick Bites is a collection of middles published in major newspapers and magazines What is it that makes the middle stand apart The middle is short hardly ever more than 600 to 800 words It draws strength from humour that skips and romps with the deftness of a mountain goat It thus turns into a sort of mirror at times concave at times convex never does it remain a plain mirror and manages to see what lies behind the even contours that people events or encounters present The 120 odd middles in this collection were written over a period of about forty years They have enough power to evoke laughter at every turn All of them are distinctly individualistic and are powered by what one may say the ability to tickle the funny bone *The Cop* Jan Hudson,2014-10-15 City Boy Moves Home For Now As Dr Kelly Martin discovers Cole Younger Outlaw is one ornery patient The hard bitten Houston cop doesn't seem happy about recovering from his gunshot wounds in Naconiche home of his protective family the Double Dip ice cream parlor and a police department whose biggest concern is filling people in on the latest gossip Kelly loves this small town but the place seems to get on Cole's nerves No question there's heat between them No question that Cole's feelings for her are genuine But could he live here Kelly knows she couldn't possibly move to Houston And what are they going to do about the baby
