Quicken User Guide:

Quicken 2017: Any Easy Guide to the Best Features Michael Galesso, 2017-01-19 Quicken was initially created to serve as a tool for the management of personal accounts and finances. First released to the public by Quicken Inc in 1983, the software has since revolutionized how individuals and companies are able to effectively manage their finances without the need of a physical accountant or accounting firm. The intuitive developers of the software have also managed to create compatible versions for the more popular and current operating systems, Windows and Mac. The software is also available for varied areas of the market, Business Home, as well as to meet demands based on where and how the product is expected to perform. Among the current versions are Quicken Starter, Quicken Deluxe, Quicken Home and Business, Quicken Premiere and Quicken Rental Property Manager.

Contractor's Guide to Quickbooks Pro 2002 Karen Mitchell, Craig Savage, Jim Erwin, 2002. According to a recent

national survey more construction contractors use QuickBooks Pro and QuickBooks than all other accounting programs combined And for good reason QuickBooks Pro excels at all the routine paperwork in a construction office writing checks keeping track of your bank balance sending out invoices and statements creating up to the minute profit and loss statements for the month year or by job writing payroll checks paying suppliers and subcontractors tracking job costs comparing estimated and actual costs for each job and much more But there s a lot to learn in QuickBooks Pro And converting to a new accounting system can be a complex and confusing task even if you have a strong background in accounting and plenty of time to install the new system That s why this book was written because most construction pros aren t accounting experts and have more important work to do at the job site
