Rice, 2000-08      *The Book of Revelation* King James Version, 2016-11-06 This book contains 14pt font for easier reading The Average Bible Contains 6pt font lettering The Book of Revelation often called the Revelation to John the Apocalypse of John The Revelation or simply Revelation or Apocalypse is a book of the New Testament that occupies a central place in Christian eschatology Its title is derived from the first word of the text written in Koine Greek apokalypsis meaning unveiling or revelation The Book of Revelation is the only apocalyptic document in the New Testament canon although there are short apocalyptic passages in various places in the Gospels and the Epistles The author names himself in the text as John but his precise identity remains a point of academic debate Second century Christian writers such as Justin Martyr Irenaeus Melito the bishop of Sardis and Clement of Alexandria and the author of the Muratorian fragment identify John the Apostle as the John of Revelation Modern scholarship generally takes a different view and many consider that nothing can be known about the author except that he was a Christian prophet Some modern scholars characterise Revelation s author as a putative figure whom they call John of Patmos The bulk of traditional sources date the book to the reign of the emperor Domitian AD 81 96 and the evidence tends to confirm this The book spans three literary genres the epistolary the apocalyptic and the prophetic It begins with John on the island of Patmos in the Aegean addressing a letter to the Seven Churches of Asia He then describes a series of prophetic visions including figures such as the Whore of Babylon and the Beast culminating in the Second Coming of Jesus The obscure and extravagant imagery has led to a wide variety of Christian interpretations historicist interpretations see in Revelation a broad view of history preterist interpretations treat Revelation as mostly referring to the events of the apostolic era 1st century or at the latest the fall of the Roman Empire futurists believe that Revelation describes future events and idealist or symbolic interpretations consider that Revelation does not refer to actual people or events but is an allegory of the spiritual path and the ongoing struggle between good and evil      *The Book of Revelation* , 2018 With artwork by Jennifer May Reiland A new translation of the biblical Book of Revelation
