*New Beginnings* Fred Sherrod, 2013-05-17 As the divinely inspired Word of God the primary purpose of the Bible is to probe the depths of the human heart more skillfully and purposefully than any surgeon could possibly imagine With this in mind my intent in *New Beginnings* is to follow the riveting narratives of Genesis and Acts with a primary emphasis on the devotional and inspirational elements From a Christian perspective I cannot imagine four beginnings with more historical significance than those emphasized in these two informative books 1 the creation of the world with all its living things 2 the foundation of Israel Gods chosen nation 3 the establishment of the Church the Body of Christ and the most incredible beginning of all 4 people from every walk of life being born again by the power of the gospel My personal perceptions and convictions have evolved from a background of thirty three years using the scientific method in chemical research and even longer exploring the eternal truths of the Bible as a Christian and minister I might add that the practical experiences I gained as a husband father of two girls and bivocational pastor prevent my viewpoints from being too esoteric or theoretical in nature Whether a casual reader or serious student of the Bible I hope you find *New Beginnings* informative if not illuminating interesting if not stirring and encouraging if not inspiring Finally if your Christian fervor needs rekindling my prayer is that these pages nourish and revitalize you like a steaming bowl of my mothers chicken soup on a cold rainy day *Faith Under Fire* , In an age of skepticism and intellectual challenges Christians often find themselves facing tough questions about their faith In this book we dives deep into the most difficult inquiries that believers encounter This guide equips Christians with the knowledge and confidence to address these questions head on to confidently defend their Christian convictions With compassion and respect the author offers practical guidance on how to engage in meaningful conversations approaching doubt and skepticism with grace and humility Equip yourself with the knowledge and insights needed to navigate the tough questions and emerge with a stronger unshakable faith *Faith Under Fire* is your essential guide to confidently engage with the toughest inquiries and proclaim the timeless truths of Christianity **Numbers Unveiled** Sam Choo, Step into the fascinating world of biblical numerology with *Numbers Unveiled* In this captivating exploration dive deep into the hidden realm of numbers and uncover the profound symbolism and spiritual meaning they hold within the sacred texts From the unity of one to the divine completeness of seven and beyond this book unlocks the secrets of numerology in the Bible offering profound insights into God s character His redemptive plan and the human experience Discover how numbers such as three twelve and forty shape the narratives teachings and prophecies of the Scriptures revealing divine patterns and unveiling hidden truths Drawing from a rich tapestry of biblical examples each chapter guides you through the significance of a specific number providing enlightening interpretations and practical applications for spiritual growth As you journey through these pages you will gain a deeper appreciation for the intricate design of God s Word and a fresh perspective on its timeless teachings *Noah's Family The Story of Mankind* Alonzo Holmes, 2012-07-05 God s creation of humanity is beautiful in all of

its diverseness notwithstanding the flaws of human nature The ultimate human potential is possible only through the grace and truth of Jesus Christ      Noah's Ark and the Genesis 10 Patriarchs Ross Marshall,2018-04 Literate world history took shape during the course of the third millennium BCE chiefly in the Mesopotamian land of Sumer There is a vast difference between the way secular scholars process this data and the way believers in the Bible can and should process it By accepting at face value both the chronological perspective of the Bible and the high longevities of the Noahic patriarchs biblicists can make sense of Sumerian data and revolutionize the image of world history at its source This book details the genealogical comparisons of all the nations mythological pantheons with the Genesis Chapter 10 list of post flood patriarchs and establishes a foundation for building a true history of mankind 420 pp      Preaching Christ from Genesis Sidney Greidanus,2007-06-25 Sidney Greidanus s previous two preaching books The Modern Preacher and the Ancient Text and Preaching Christ from the Old Testament have received wide acclaim Preaching Christ from Genesis offers more of Greidanus s solid practical homiletical fare Packed with unique features Preaching Christ from Genesis uses the latest scholarly research to analyze twenty three Genesis narratives presents the rhetorical structures and other literary features of each narrative discloses the message for Israel theme as well as the author s likely purpose goal explores various ways of preaching Christ from each narrative offers sermon exposition and commentary in oral style suggests relevant sermon forms introductions and applications Including helpful appendixes Ten Steps from Text to Sermon An Expository Sermon Model and three of the author s own Genesis sermons this volume will be an invaluable resource for preachers and Bible teachers
