Designing from Both Sides of the Screen Ellen Isaacs,Alan Walendowski,2002 Written from the perspectives of both a user interface designer and a software engineer this book demonstrates rather than just describes how to build technology that cooperates with people It begins with a set of interaction design principles that apply to a broad range of technology illustrating with examples from the Web desktop software cell phones PDAs cameras voice menus interactive TV and more It goes on to show how these principles are applied in practice during the development process when the ideal design can conflict with other engineering goals The authors demonstrate how their team built a full featured instant messenger application for the wireless Palm and PC Through this realistic example they describe the many subtle tradeoffs that arise between design and engineering goals Through simulated conversations they show how they came to understand each other s goals and constraints and found solutions that addressed both of their needs and ultimately the needs of users who just want their technology to work

**Service Profit Chain** W. Earl Sasser,Leonard A. Schlesinger,James L. Heskett,1997-04-10 In this pathbreaking book world renowned Harvard Business School service firm experts James L Heskett W Earl Sasser Jr and Leonard A Schlesinger reveal that leading companies stay on top by managing the service profit chain Why are a select few service firms better at what they do year in and year out than their competitors For most senior managers the profusion of anecdotal service excellence books fails to address this key question Based on five years of painstaking research the authors show how managers at American Express Southwest

Airlines Banc One Waste Management USAA MBNA Intuit British Airways Taco Bell Fairfield Inns Ritz Carlton Hotel and the Merry Maids subsidiary of ServiceMaster employ a quantifiable set of relationships that directly links profit and growth to not only customer loyalty and satisfaction but to employee loyalty satisfaction and productivity The strongest relationships the authors discovered are those between 1 profit and customer loyalty 2 employee loyalty and customer loyalty and 3 employee satisfaction and customer satisfaction Moreover these relationships are mutually reinforcing that is satisfied customers contribute to employee satisfaction and vice versa Here finally is the foundation for a powerful strategic service vision a model on which any manager can build more focused operations and marketing capabilities For example the authors demonstrate how in Banc One s operating divisions a direct relationship between customer loyalty measured by the depth of a relationship the number of banking services a customer utilizes and profitability led the bank to encourage existing customers to further extend the bank services they use Taco Bell has found that their stores in the top quadrant of customer satisfaction ratings outperform their other stores on all measures At American Express Travel Services offices that ticket quickly and accurately are more profitable than those which don t With hundreds of examples like these the authors show how to manage the customer employee satisfaction mirror and the customer value equation to achieve a customer s eye view of goods and services They describe how companies in any service industry can 1 measure service profit chain relationships across operating units 2 communicate the resulting self appraisal 3 develop a balanced scorecard of performance 4 develop a recognitions and rewards system tied to established measures 5 communicate results company wide 6 develop an internal best practice information exchange and 7 improve overall service profit chain performance What difference can service profit chain management make A lot Between 1986 and 1995 the common stock prices of the companies studied by the authors increased 147% nearly twice as fast as the price of the stocks of their closest competitors The proven success and high yielding results from these high achieving companies will make The Service Profit Chain required reading for senior division and business unit managers in all service companies as well as for students of service management **Kiplinger's Personal Finance** ,1989-11 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics
