The volume addresses this gap by presenting theoretically grounded, empirically based studies which illustrate the application of key concepts of CL and demonstrate the efficacy of using the concepts in the classroom or in basic L2 research. **SPANISH DELE EXAM - Level A2** Gaboch, This book is primarily intended to help Spanish learners in achieving great performance on the Spanish DELE exam specifically for the level A2. In addition, it may also assist native speakers of Spanish who want to acquire, refresh or improve their knowledge to become linguistic educators. It's important to highlight that speaking a language does not guarantee success in a specific examination. This is due to the structured design of the test with particular questions which aim to evaluate the diverse skills of the language learners. There is a variety of questions organized by tasks and for the 3 main abilities: Reading, Writing and Listening. For the speaking part, only general guidance is given in this book. The exercises were meticulously prepared by professional, experienced native speakers of Spanish. Furthermore, the answers of all the exercises are provided along with the transcriptions and English translations. Access to the audios is available as well from our website. Details of what is included in this book: **DELE Level A2 Reading** It includes 4 full tasks. Each task has 3 different categories called Examples. Each example has diverse types of exercises following the same format of the original exam. Each exercise has at least 5 questions. Each question has its respective answer. Translations into English are included. All the exercises were prepared by professional, experienced native speakers of Spanish. **DELE Level A2 Writing** It includes 2 full tasks. Each task has 3 different categories called Examples. Each example has diverse types of exercises following the same format of the original exam. The Task 2 has two options for each Example and with their corresponding answers. Each question has its respective answer. Images are included. Translations into English are included. All the exercises were prepared by
