

Dear [Donor's name],

As the coach of the [SportsTeam name], I am writing to ask for your support in our upcoming season. Our team is made up of dedicated and talented athletes who have worked tirelessly to prepare for the upcoming season. However, we need your help to make this season a success.

Unfortunately, the costs associated with participating in a sports team are significant. From equipment and uniforms to travel expenses and facility rentals, the costs quickly add up. Without the generous support of donors like you, many of our athletes would be unable to participate in the sport they love.

Your donation will help us cover the costs associated with our upcoming season, including travel expenses, equipment, and uniform costs. Your support will also help ensure that our athletes have access to the best possible training facilities and coaching resources.

Our team is more than just a group of athletes. We are a community of individuals who are passionate about our sport and committed to working hard to achieve our goals. With your support, we can continue to build on our successes and work towards our goals for the upcoming season.

Thank you in advance for your support. Your generosity will have a significant impact on the lives of our athletes, and we are grateful for your partnership.

Sincerely,

[Your Name]

[SportsTeam name] Coach

United Nations Teams Edward Mickolus, Joseph Brannan, 2013-07-31 By some counts, Model United Nations (MUN) has become the single most popular extracurricular academic activity among high school students. More than two million high school and college students have assumed the roles of ambassadors from real United Nations member countries, participated in spirited debate about the world's most pressing issues, and called Point of Order. Mr. Chairman, Now in Coaching Winning Model United Nations Teams, Edward Mickolus and Joseph Brannan give MUN teachers and coaches the information they need to succeed. In this informative volume, the authors, MUN coaches themselves, provide detailed guidance for each step of the MUN path, from the first meeting in the teacher's classroom to the final days of an official MUN conference. Coaches will learn about the ins and outs of parliamentary procedure and the most effective ways to help their students draft position papers and resolutions. Most important, Mickolus and Brannan illustrate the many ways that teachers can inspire their students to take an active role in making the world a better place. By the time their students move on, MUN coaches will have instilled in them such important qualities as empathy, self-confidence, and grace under pressure. Coaching Model United Nations Teams is a fun, useful guide for teachers and coaches who are working to help develop tomorrow's leaders today.
