relationship between Scotland and Canada and should be of interest to students and scholars of Canadian and Church history

Becoming a Blessed Church N. Graham Standish, 2016-05-08 Pastor and author N Graham Standish describes how a church that is open to God's purpose, presence and power can claim God's blessing. Standish shares the story of Calvin Presbyterian Church in Zelienople, Pennsylvania, and its journey to become a spiritually deep congregation, one that is inwardly and outwardly healthy, spiritually, psychologically, physically, and relationally. *Becoming a Blessed Church* will help you discern God's purpose and the path God is calling your congregation to walk. This book will help you find Christ in your midst and become aware of the many ways the blessings of God's Spirit flow through your congregation. This second edition includes three new practical chapters that answer the questions the author is most frequently asked: how to effectively run a group, discernment practice, how to create an effective small group program, and how to set a church vision in a new direction that actually works.

Practicing Prayer for the Dead James B. Gould, 2016-11-04 Throughout history, Christians have prayed for the dead. This book challenges Protestants who seldom pray for the dead to begin doing so, and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well. Gould discusses the meaning of prayer for final consummation of all things, growth of the blessed in heaven, purification of the imperfect in purgatory, and salvation of the unsaved in hell, identifying the necessary conception of the afterlife required by each particular prayer. He also reflects on the spiritual value of prayer for the departed, how it enhances faith, builds hope, and sharpens discipleship, and provides some sample prayers for public liturgy and private devotion. In essence, *Practicing Prayer for the Dead* offers an outline of theology from the perspective of death, arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines. The argument, while revisionary in some respects, is orthodox, ecumenical, and integrative, engaging a range of academic disciplines so as to be biblically accurate, historically informed, and philosophically reasoned.

worship can become caught up in sectarianism The book examines the need for a peace process that changes hearts and minds and not merely civic structures of their inhabitants Aspects of everyday worship ranging from the spatial and symbolic to the verbal musical and interpersonal are explored as the means by which sectarianism can be challenged and transformed
