Your excellence _____, Minister of State for Youth Affairs, governing board members, school staff, parents, and honored guests, welcome to our 15th graduation ceremony.

Through the education and the knowledge that they have, and most importantly the guidance, values and the love that you, the parents, have provided to your children, now they are ready to face any challenge.

Today we celebrate dedication and love. Parents, you must be proud of your child and yourselves. On behalf of the school and the students, I want to say: thank you.

Teachers, you have been a key element in the children's education. Your unconditional support has inspired and encouraged them to achieve their best at [School Name]. Your planning, teaching, and encouraging have come to fruition. How proud you must be today to see your students with bags of good character, lifelong learning skills, and integrity. Your support and dedication cannot be stressed enough. None of this is possible without you. On behalf of the students and the parents, I want to say: thank you.

[School Name] is committed to creating an innovative and a creative education system and to prepare students for a rapidly changing world. We are keen to achieve excellence in education and to ensure relevance, quality, and balance among intellectual, and physical elements in the learning process.

Graduates, our warmest congratulations. Just 14 short years ago, you wandered into the kindergarten classroom to start your learning journey. Today, you are about to walk through the school gates as students for one last time.

You took all the knowledge and attention your parents provided and molded it into your own character, making you the fine young ladies and gentlemen that you are today.
