

Sample Letter to Parents/Guardians Regarding PARCC Test Accommodations for Spring 2016

[NOTE: Districts may adapt this letter to the circumstances of individual students with disabilities for whom you are sending this parent notification. Choose either section A or B (or both) and the relevant items listed in each.]

Dear Parent or Guardian:

Massachusetts will decide in the fall of 2015 whether the new PARCC tests will replace the MCAS tests. PARCC is the Partnership for the Assessment of Readiness for College and Careers. If PARCC is adopted, your child will take the new tests in English language arts (ELA) and Mathematics in grades 3 through 8. About half of all Massachusetts students participated in PARCC tests in spring 2015.

Most likely, your child's Individualized Education Program (IEP) lists the accommodations your child can receive on MCAS tests. However, PARCC is a different test. In most cases, the accommodations allowed are the same for MCAS and PARCC, but there are some important differences. If your child's IEP identifies an MCAS accommodation that is also allowed on PARCC, it will be given during PARCC testing this spring.

Section A: Below are two additional accommodations that will be available to your child during the spring 2016 PARCC testing, if PARCC replaces MCAS. The IEP Team may add these accommodations, if needed, to your child's plan.

- **Extended testing time:** Unlike the MCAS tests, PARCC tests are timed. Students must finish their test within the time limit, but students with disabilities and English language learners may have until the end of a school day ("extended time") to finish each PARCC test, as they did on MCAS. If the Team agrees that he or she needs this accommodation, extended time will be added to the IEP.
- **Paper version of the test:** PARCC was meant to be given on a computer, but schools may choose to give the PARCC tests using a paper version. Even if other students in the school will take PARCC tests on a computer, students with disabilities are allowed to take the paper version of the test if they cannot use a computer for testing. If the IEP team agrees that your child needs this accommodation, it will be added to the IEP for PARCC.

Section B: Below is an MCAS accommodation that may already be listed on your child's current IEP, but is *not allowed* for the PARCC tests. This accommodation *will not be provided* during the spring 2016 PARCC assessments and if PARCC replaces MCAS, it *may not be designated* for PARCC testing in the future.

- PARCC test policies do not allow any student to use a **graphic organizer or individualized math reference sheet**, including students with disabilities. Even if your child's IEP lists the use of these tools on state- or district-wide assessments, they will not be allowed on PARCC tests. Why? Because PARCC and MCAS test questions are quite different. The graphic organizers and individual reference sheets used for MCAS will not be useful and may lead students to give the wrong answers on PARCC tests. Additionally, if these tools are used, you will not receive accurate information about your child's performance and the test results will be invalid. For PARCC testing, all students will be given blank paper and can draw a graphic organizer from memory, and all students in grades 5 and higher will get a "standard" math reference sheet.

Thank you for your cooperation. We hope you understand that some of the rules for taking PARCC tests will be different from those for MCAS. Please contact your child's school or the local special education office if you have any questions about your child's special education program.

[Signed by appropriate District Administrator]
