Gatsby F Scott Fitzgerald told the tale of a high society love affair that became an iconic depiction of life during the Jazz Age
of the 1920s After the 1929 stock market crash life took an ironic downturn even for the wealthy Written in light of these
events The Golden Vanity is both a social comedy of errors and a sardonic view of the Jazz Age and the crash told through the
lives of three self assertive women who could not be more different Cousins Gina Geraldine and Mysie are all inhabitants of
New York City but their lives could not be more different A secretary starts a new job rife with romantic entanglements a
best selling novelist is undermined by her husband s attempts to win big on the stock market and an actress leads an
unconventional yet surprisingly intellectual life Isabel Paterson follows their stories through the economic collapse and
demonstrates with sophisticated wit that doing what everyone else is doing is not the best way to survive such times
