Introduction to Effective Music Teaching Alfred S. Townsend, 2011-10-16 *Introduction to Effective Music Teaching* Artistry and Attitude provides the prospective teacher with front line tested strategies and approaches that are based on current research and the author's three decades of service as a public school music educator, department chairman, and public school district music administrator. Starting with a brief overview of the history of music education in public schools, Alfred Townsend gives the reader a deeper understanding of the importance of music education to all students, gifted or not. Readers then examine artistry, command of content, and mastery of methods, and the ABCs of teacher attitude, the critical component that unlocks learning for many students. With an open and accessible writing style, Dr. Townsend reviews the six components of effective teaching, showing that artistry and attitude can be combined to fuel student learning and teacher leadership. Using all of this information, the reader constructs a personal, practical philosophy of music teaching and learning that will form the basis for his or her instruction. Readers will also experience artistry and attitude in action through well-written case studies of effective teachers. With increasingly diverse student populations, teachers now face this book provides music teachers with ways to interact effectively with students of all backgrounds, attitudes, and talent.

Elementary Music Lesson Plan Template Molly Rose, 2020-03-13 This *How To* book is different. Unlike every other book you'll read with titles like *How To Craft The Perfect Lesson Plan in 165 Incredibly Simple Steps*, this book is different. It's a simple *How To* guide for creating a lesson plan that's right for you and your students, and also an easy-to-follow workbook. We'll discuss what exactly a lesson plan is and why you even need one. We'll then go on to look at the process for creating a lesson plan, including the questions you need to consider so that you don't forget anything important. Then we've got 60 lesson plan templates for you to follow with a double-page layout so that you have plenty of space for all your notes. We've even included some *Further Notes* pages at the back for anything else you need to jot down. Teaching students of any age is both a challenging and daunting prospect. With a well-thought-out lesson plan in place, anticipating the questions you'll face AND the answers, it will be much less daunting and much more exciting. Good luck, Molly.
