

# 1 INTRODUCTION

## 1.1 Purpose of the CT Study Instruction Manual

The purpose of this instruction manual is to help you complete original and revised CT studies for your treatment plant using the CT Template.

## 1.2 What Systems Can Use the New Automated CT Study Template?

The Template is primarily intended for small and medium size treatment plants. The template is designed for treatment plants with no more than 10 disinfection zones, each zone consisting of no more than 10 treatment units. If your plant does not meet these requirements, your CT study will need to be completed manually.

## 1.3 How Is This Instruction Manual Organized?

Table 1-1 gives a summary of the chapters in this manual and what they cover.

**Table 1-1: CT Study Template Guidance Manual Chapters**

Chapter	Topics
1	<b>Introduction</b> This chapter describes who is eligible to use the new Template and discusses how to use this guidance manual.
2	<b>CT Studies and the CT Study Approval Letter</b> This chapter details the concepts used in the preparation of a CT Study and the subsequent approval process. A firm understanding of the background presented here is critical to the preparation of an accurate CT Study.
3	<b>Describing Your Treatment Plant</b> This chapter presents the guidelines you will use follow in writing a narrative description and preparing a plant schematic.
4	<b>Describing Your Disinfection Zones</b> This chapter takes you through the steps involved with customizing the Template to accurately reflect the number of disinfection zones and treatment units in your treatment plant. This chapter outlines the information you must enter to characterize your disinfection process.
5	<b>Evaluating Your Disinfection Protocol</b> Chapter 5 describes the Calculator worksheet of the CT Study Template and the information you must provide to determine whether your disinfection process provides adequate disinfection.
6	<b>Submitting Your CT Study Report</b> This chapter presents the steps involved with submitting your complete CT Study Report to the TCEQ.

Early Childhood Program Participation Data File User's Manual Mary A. Collins, 1996 The 1995 National Household Education Survey NHES 95 was a random digit dial telephone survey of households developed by the National Center for Education Statistics. The NHES 95 included two topical survey components: the Adult Education component which collected information about adults' participation in adult education and the Early Childhood Program Participation ECPP component which collected information about children's participation in nonparental child care and early childhood programs. This manual provides documentation and guidance for users of the public release data file for the ECPP component. Information about the purpose of the study, the data collection instruments, the sample design and data collection and data processing procedures is provided. Some information about factors that should be kept in mind when using ECPP data is also provided. For the ECPP component, interviews were conducted with parents of 14,064 children, a figure that included 101 home schooled children. Four appendixes present screening and study questionnaires, information about the file layout, the Statistical Analysis System code for derived variables and the ECPP codebook. Contains 8 tables, 2 figures and 23 references.
