Hey Irina,

Glad you found it helpful

Thanks for sharing what you're doing :)

Conversion rates for our approach vary obviously depending on the client's content quality and competition in the niche but are similar (3-5% up to 8-10% for some clients).

In terms of automation, our approach is a hybrid. We don't do massive scale, but we also don't personalize every single email.

Happy to explore if and how we can help you scale up your volume and conversion on a quick chat?

Can also go deeper into the process :)
