

Student Learning Objectives Form

Teacher Name	Darlene Jones	Date	10/01/2016
School	Great School Texas	Appraiser Name	Dr. Johnson
Grade	2nd	Subject Area	Math

Step 1: What is the focus for my SLO?

a. Identify the content area for focus in the SLO.

Math

b. What is the SLO skill focus statement for this content area or subject?

All students will be able to efficiently and accurately add and subtract within 1,000 and will be able to apply addition and subtraction strategies within 1,000 to generate and solve one- and two-step word problems and justify their solutions, orally and in written form.

c. What led to the decision to focus on this content area and the SLO skill focus?

This is one of the most foundational skills in 2nd grade and applies well beyond this year. When students can correctly identify and justify their selection of addition and subtraction strategies and solutions by explaining why the strategies work, they are applying cognitive math skills desired for use in future situations, as well as basic use of math application as a citizen. This application requires students to use place value, properties of operations, and the relationship between addition and subtraction to solve problems.

d. What TEKS for the content area or subject correspond to these most important skills? You may provide an enumerated list of TEKS, but be prepared to share the verbiage of the TEKS with your appraiser.

2.4 (C) Solve one-step and multi-step word problems involving addition and subtraction within 1,000 using a variety of strategies based on place value, including algorithms.
 2.4 (D) Generate and solve problem situations for a given mathematical number

Sample First Grade Slo Math
