educated woman in conversation with contemporary theological philosophical and literary works Her quotations and
allusions include Locke Pascal and Herbert as well as a number of now forgotten theologians In some of her work one can
distinguish doctrinal and spiritual leanings such as Arminianism and Christian perfection that would later find wide
expression in the spread of Methodism Further her writings demonstrate her readiness for conscience s sake to stand up to
the men in her life father husband and sons and the three incarnations of English Protestantism they represented
