New Approaches to the Investigation of Language Teaching and Literature Garcés-Manzanera, Aitor, Carrillo García, María Encarnación, 2023-04-11. In the last two decades the field of language and literature teaching has experienced considerable growth as a result of the wide array of new methodological avenues that have arisen from different angles. This paradigm shift has paved the way for the integration of newly conceived didactic resources such as the mediation of social networks for learning language or the interdisciplinarity of culturally mediated language education. It is crucial to understand this shift in order to ensure students receive the best education possible. *New Approaches to the Investigation of Language Teaching and Literature* presents an overview of the ongoing methodological tools, practices, research designs and strategies used in language and literature teaching and provides education researchers and practitioners with empirically sustained evidence of teaching strategies that may be implemented in language education. Covering key topics such as language skills, adult learners, digital literacy and learning aids, this reference work is ideal for researchers, scholars, academicians, practitioners, educators and students.

Composition and Grammar ENC1101 Editorial Board, 2022-06-15. We live in a world of words. The way we interact with our fellow humans is very often based on the language that always surrounds us, whether it be the messages we send, the news we read or the assignments we complete in classes that give us the education intended to lead us to success. What might be the best way to navigate the complexity of language, especially in a first year composition course? This book addresses these issues by presenting lessons, examples and student samples through an approach that is friendly, conversational and realistic. Created by actual instructors of composition at HCC, this book includes many resources to guide composition students of different skill levels. In depth overviews of reading, writing and revising. Engaging exercises that anticipate and address the most common errors of writers. Actual student samples that provide the basis of class discussions and analysis. With guidance that includes both theory and practice. *Composition and Grammar for HCC* by HCC provides students with the skills they need for their educational goals, their careers and their lives.
