| Teacher Action Goal (or PGP)         |   |
|--------------------------------------|---|
| Professional growth goal             | I believe I'm currently at a level 1 on A1 (5D+) and intend to reach a level 3 (proficiency) described as: "Students frequently assessing their own learning in relation to the success criteria for the learning targets." |
| Specific Support Need, if applicable | I will need the support of the math department to determine the best ways for students to track their own progress.   |
