Pacific Lutheran University, Biology

Port Orchard, Washington

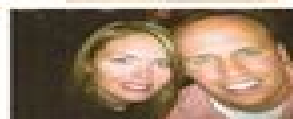

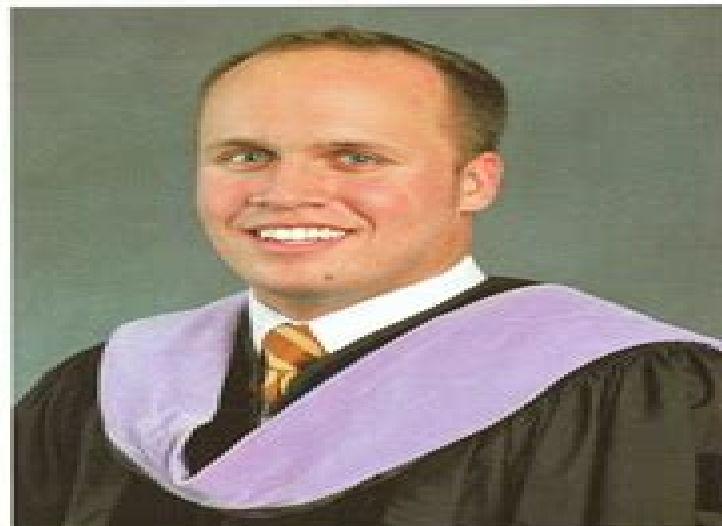

To my wife: Candi, I still remember the last night we spent in WA before coming here. We slept on the floor of our first home with our newborn baby Avery. The moving van was all packed and ready for Buffalo. Little did we know that I would thwart a burglary attempt and find our car and belongings torn apart in the yard that night. It was a rough beginning and this journey hasn't been much easier since, at least on you. Leaving your family and promising career in WA, we took this step to Buffalo together. We all know you would have been a better dentist than me but you gracefully took on the most important job of taking care of our children. Two kids and many sleepless nights later we are finally done. Thank you for sacrificing your health, sanity and super model body to give me Avery and Gregson. I have all the confidence in the world that they will become great adults due to these early years in which you provided so much for them. I will always cherish the memories we have made here in school and am looking forward to a long future together. I am excited to build our family, achieve our goals and realize our dreams wherever we end up. I wouldn't be here having accomplished what I have without your influence and support. I know my last minute cramming for everything has probably taken a few years off your life but I told you we would finally make it. Thanks for trusting me even when I could tell you were truly worried! I love you.

To the kids: Thank you for not allowing me to sleep for the last four years. Without you I would have been too focused on the things in life that don't matter and for that I thank you.

To my family and in-laws: Thank you for all your support. The free babysitting and care packages helped me get through these 4 years and helped me put on 15 lbs. Thanks for being such great grandparents and parents to us and the kids. We are excited to see you all even more as I won't be limited to national holidays and vacations.

To the guys: Beech, thanks for all the fun times and I know we will see more of each other through the years. I still can't hear "Hey there Delilah" without remembering our trip across the country. Chris, thanks for showing me how hard I should have been working and we still have to turn our ideas into a movie. To all of my other friends thanks for all the memories and if anyone of you ever need anything, just give me a call.

To UB faculty and staff: Now that I am graduating I realize what high caliber teachers and staff we have here at UB. I am proud to be associated with this school now and for the rest of my life. I have learned so much and owe even more to all of you. Thank you again.
