The text includes useful writing group routines, questions for framing collaborative inquiry, methods for adapting writing communities to online settings and rich examples of conversations and texts shared in actual teacher writing group meetings.

Book Features: Focuses on teacher writers and their actual experiences working together in a writing group including benefits and challenges. Includes vignettes taken from writing group meetings that demonstrate the variety of ways teachers may participate and engage in writing. Judith A. Langer, distinguished research professor, University at Albany.

Readers of Christine Dawson's new book might be surprised to find themselves in a novelistic world where the literary characters are women who through talk and writing act in and on their complex lives. They are teachers, yes, but they are also thoughtful mothers and daughters, wives and friends and ready companions. This is a newly liberated notion of a writing group of women who teach and a practical guide to those readers inspired to start their own group.
