In addition, my communication skills, along with my motivational and outstanding coaching skills, are certain to render me a significant benefit to your players. Here are some of my accomplishments as a Baseball Coach –

- In my career, I have produced more than 50 times winning results for the team I am coaching, and this happened in just the past 3 years
- I ensure that each player gets a fair opportunity to demonstrate his/her talent on the field
- Well-versed in developing and executing baseball strategies after analysing the opponent's team play within 10 minutes
- Developed a special pitching plan that helped the players to reach their fullest
- Motivating skills prove to be useful for players, even while they are midway without many scores
- I am highly experienced in mentoring young boys and girls, and I can very easily inspire them and boost their confidence level in the field

Apart from being a professional baseball player, I am proficient in understanding the physical and emotional demands of the game and can guide my team accordingly. My experience lies in establishing and managing a positive team spirit while giving constructive feedback to players. Using my knowledge of the game, coupled with my passion for developing skills among my players, I believe that I will be an encouraging contributor to your team as your next Baseball Coach. I strongly believe that my wealth of experience and talent can be put into practicality as I join as your next Baseball Coach. I look forward to discussing my qualifications further in an interview.
