make the following declaration under the Statutory Declarations Act 1959:

1 Visa applicant's name

Family name **Walker**
Given names **Skype**

How long have you known this person? **2 years**

2 Name of applicant's partner or fiancé(e)

Family name **Wayne**
Given names **Bruce**

How long have you known this person? **Since birth**

3 State how you know the applicant and the applicant's partner or fiancé(e), and indicate how often you have been in contact with them

I am the brother of the applicant's sponsor/spouse, Bruce Wayne. I have known Skype Walker for the last 2 years after he was introduced to our family by my sister.

I first met Skype in person in December 2014 when he travelled to Australia with Bruce to visit us. During this trip, Skype and Bruce stayed with my family at our Castle Hill residence for a few days while they were in Sydney.

While my sister lived in Russia, we stayed in contact via phone calls.

If insufficient space, please attach additional details

4 State whether you believe the relationship of the applicant and his/her partner or fiancé(e) to be genuine and continuing, and give your reasons for your belief

Bruce told me about her friendship with Skype well before they started their relationship. She told me about the holidays that they took together, what activities they did together after she moved to Moscow, etc.

She also told me about how Skype helped her get over her prior divorce from her former partner, and also the financial assistance that he has provided to her after she moved into his apartment when they lived together in Moscow.

I recently saw Skype again during his most recent visit to Australia (February to March 2016). My family attended my sister and Skype's wedding. They recently got married in February 2016 in NSW. We don't have too many family members in Australia, so their attending was just attended by a few family members and friends. Their wedding was still a fantastic occasion for our family as we got to celebrate my sister's relationship with a man that she truly loves.

I can see that they do truly care for and love each other. They have made great efforts to stay in constant contact after my sister moved to Australia.

Dun & Bradstreet Exporters' Encyclopaedia, 1990 EU Civil Justice Burkhard Hess, Maria Bergström, Eva Storskrubb, 2016-01-14 This seventh volume in the Swedish Studies in European Law series brings together some of the most prominent scholars working within the fast evolving field of EU civil justice Civil justice has an impact on matters involving inter alia family relationships consumers entrepreneurs employees small and medium sized businesses and large multinational corporations It therefore has great power and potential Over the past 15 years a wealth of EU measures have been enacted in this field Issues arising from the implementation thereof and practice in relation to these measures are now emerging Hence this volume will explore the benefits as well as the challenges of these measures The particular themes covered include forum shopping alternative dispute resolution simplified procedures and debt collection family matters and collective redress In addition the deepening of the field that continues post Lisbon has occasioned a new level of regulatory and policy challenges These are discussed in the final part of the volume which focuses on mutual recognition also in the broader European law context of integration in the area of freedom security and justice *Taxation in the Digital Economy* Nella Hendriyetty, Chris Evans, Chul Ju Kim, Farhad Taghizadeh-Hesary, 2022-07-11 A robust and efficient tax administration in a modern tax system requires effective tax policies and legislation Policy frameworks should cover all aspects of tax administration and include the essential processes of capturing processing analyzing and responding to information provided by taxpayers and others concerning taxpayers affairs By far the greatest challenges facing tax administrations in all countries are those posed by the

continuing developments in the digital economy Whereas societies are grappling to come to terms with the transitions from the third industrial or digital revolutions revenue authorities grapple with the consequences for the sustainability of their tax bases and the efficient administration and collection of taxes This book presents a critical review of the status of tax systems in Asia and the Pacific in the era of the digital economy The book suggests how countries can maximize their domestic resource mobilization when confronted by the challenges that digitalization inevitably produces as well as how they can best harness or take advantage of aspects of digitalization to serve their own needs The full implications of the COVID 19 crisis are still too uncertain to predict but it is clear that the crisis will accelerate the trend towards digitalization and also increase pressures on public finances This in turn may shape the preference for and the nature of both multilateral and unilateral responses to the tax challenges posed by digitalization and the need to address them This book will be a timely reference for those researching on taxation in digital economy and for policy makers The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
