Carroll,2000 Ideal as a year long program or for selective units This packed volume takes an intense look at Romeo and Juliet Julius Caesar Macbeth Hamlet A Midsummer Night s Dream and The Tempest Each of the 40 lessons opens up the world of Shakespeare his words and his characters Extensive teacher support includes assessments historical background and language study synopses and suggestions for engaging hard to reach learners     **Shakespeare's Authentic Performance Texts** Graham Watts,2015-01-29 When we pick up a copy of a Shakespeare play we assume that we hold in our hands an original record of his writing We don t Present day printings are an editor s often subjective version of the script Around 25 percent of any Shakespeare play will have been altered and this creates an enormous amount of confusion The only authentic edition of Shakespeare s works is the First Folio published by his friends and colleagues in 1623 This volume makes the case for printing and staging the plays as set in the First Folio which preserved actor cues that helped players understand and perform their roles The practices of modern editors are critiqued Also included are sections on analyzing and acting the text how a complex character can be created using the First Folio and a director s approach to rehearsing Shakespeare with various exercises for both professional and student actors In conclusion all of the findings are applied to Measure for Measure     English Teaching in the Secondary School 2/e Mike Fleming,David Stevens,2014-06-03 Presenting an informed view of current educational policy this text encourages students of secondary English to take a creative and independent interpretation of government initiatives in order to achieve effective teaching practice It provides a good balance of theoretical material with practical ideas for application in the classroom and strongly encourages reflection and critical thought This new edition includes coverage of the National Curriculum 2000 the National Literacy Strategy and the new Key Stage 3 Strategy a new chapter on how to teach ICT a new chapter on Inclusion including differentiation cultural diversity EAL and teaching across the ability range new material on how to teach Shakespeare an introduction to cross curricular themes such as citizenship and social moral and spiritual values Written in an accessible and conversational style this text poses an excellent degree of challenge for all students on initial teacher training courses     Independent Thinking in an Uncertain World Valerie A. Brown,John A. Harris,David Waltner-Toews,2019-04-29 Any effective response to an uncertain future will require independently thinking individuals working together Human ideas and actions have led to unprecedented changes in the relationships among humans and between humans and the Earth Changes in the air we breathe the water we drink and the energy we use are evidence of Nature which has no special interest in sustaining human life looking out for itself Even the evolutionary context for humans has altered Evolutionary pressures from the digital

communication revolution have been added to those from natural systems For humans to meet these challenges requires social re organisation that is neither simple nor easy Independent Thinking in an Uncertain World explores workable field tested strategies from the frontiers of creating a viable future for humans on Earth Based on research results from hundreds of social learning workshops with communities worldwide many of them part of Australian National University s Local Sustainability Project authors with diverse interests explore the gap between open minded individual thinking and closed socially defined knowledges The multiple dimensions of individual social and biophysical ways of thinking are combined in ways that allow open minded individuals to learn from one another      **Not a Toy, but a Tool** Carrie
