Everett, Paul R. practitioners in these areas of study Laird,2017-09-21 An expanded and updated edition of this acclaimed wide ranging survey of musical theatre in New York London and elsewhere With Love, Miss Americanah Jane Igharo, 2024-06-18 A girl moves from Nigeria to America and navigates her senior year with the help of teen movies and a new crush in this story described as the next coming of age hit perfect for fans of Jenny Han by Booklist in a starred review Enore Adesuwa doesn t dive into things she walks in carefully So when she her mother and her sister move from Nigeria shortly after her father s death she wants to be extremely prepared before attending high school in America Her cousin doesn t have time to explain the ins and outs to her but luckily he recommends the perfect research tool teen movies Still dealing with grief but armed with a set of rules of survival gathered from these movies including the crucial rule of keeping a low profile Enore is ready for her senior year But when she meets Davi Santiago it may be much harder than she thought to keep to her rules Because not only is he super thoughtful and okay

very good looking he constantly encourages her to share her incredible singing talent Enore prefers the background but it just might be time for her to take center stage even in spite of her mother's strict expectations It would be easier to follow all the rules the ones Enore set for herself and the ones her mom imposes but as every teen movie has taught her a coming of age is nothing without a little rebellion And with help from her crush her sister and some new friends who don t quite play the roles she expects Enore's senior year might indeed be cinematic Something Wonderful Todd S. Purdum, 2018-04-03 A revelatory portrait of the creative partnership that transformed musical theater and provided the soundtrack to the American Century They stand at the apex of the great age of songwriting the creators of the classic Broadway musicals Oklahoma Carousel South Pacific The King and I and The Sound of Music whose songs have never lost their popularity or emotional power Even before they joined forces Richard Rodgers and Oscar Hammerstein II had written dozens of Broadway shows but together they pioneered a new art form the serious musical play Their songs and dance numbers served to advance the drama and reveal character a sharp break from the past and the template on which all future musicals would be built Though different in personality and often emotionally distant from each other Rodgers and Hammerstein presented an unbroken front to the world and forged much more than a songwriting team their partnership was also one of the most profitable and powerful entertainment businesses of their era They were cultural powerhouses whose work came to define postwar America on stage screen television and radio But they also had their failures and flops and more than once they feared they had lost their touch Todd S Purdum s portrait of these two men their creative process and their groundbreaking innovations will captivate lovers of musical theater lovers of the classic American songbook and young lovers wherever they are He shows that what Rodgers and Hammerstein wrought was truly something wonderful **The Makeover in Movies** Elizabeth A. Ford, Deborah C. Mitchell, 2004-04-14 The plots of many films pivot on the moment when a dowdy girl with bad hair ill fitting outdated clothing and thick glasses is changed into an almost unrecognizable glamour girl Makeover scenes such as these are examined beginning with 1942 s Now Voyager The study examines whether the film makeover is voluntary or involuntary whether it is always successful how much screen time it takes up where in the narrative structure it falls and how the scene is actually filmed Films with a Pygmalion theme such as My Fair Lady Vertigo and Shampoo are examined in terms of gender relations whether the man is content with his creation and what sort of woman is the ideal Some films publicity capitalizes on a glamorous star's choice to play an unattractive character as discussed in a chapter examining stars like Bette Davis Meryl Streep and Cameron Diaz Topics also include folk literature s Cinderella tale men as the inspiration for makeovers in teen flicks films like Clueless She s All That and Me Natalie and class repositioning in such movies as Working Girl Pretty Woman and Grease Photographs are presented in a before after format showing the change in the madeover character
