Porsche 911: 50 Years Randy Leffingwell, 2013-10-20 In Porsche 911 50 Years bestselling author Randy Leffingwell celebrates a half century of one of the world's premiere sports cars focusing on the major themes that have defined Porsche's rear-engined wonder. Randy tells the whole story: design and development, racing and competition, engineering and technology, style and culture. All the iconic 911 models are included: the original 901 prototype that set the standard, the legendary RS models that made the little Porsche a dominant force on the world's racetracks, the infamous Turbo, the car that kept the performance flame alight during the dark, dismal decade of the 1970s, the fabled 959, the model that redefined the term sports car, the 993, last of the original air-cooled models, and the 996, 997, and 991, the liquid-cooled cars that brought the 911 into a new millennium. Beyond telling the story of the cars, Porsche 911 50 Years also spotlights the people behind them: Ferdinand Butzi Porsche, the son of legendary Porsche founder Ferdinand Ferry Porsche who co-designed the instantly recognizable 911 shape; Peter W. Schutz, the Porsche CEO who saved the 911 from extinction; and Dr. Helmuth Bott, the engineering genius behind many of the groundbreaking technologies that have defined the 911, including fuel injection, turbocharging, and all-wheel drive. Leffingwell also tells the story of the 911 community, the clubs and culture that surround the car. Together, all of these facets make Porsche 911 50 Years the most essential book in any Porsche owner or fan's library.

Porsche Boxster and Cayman Johnny Tipler, 2016-08-31 Porsche Boxster and Cayman follows the design and development of this mid-engined sports car and coupe family from their origins in the company's concerted racing activities in the 1950s and 1960s to the drawing board, launch, and systematic evolution through successive model ranges from 1996 to 2016. There are detailed profiles and evaluation of all Boxster and Cayman derivatives, including 986, 987, 981, and 718. Specifications of the various models are given, including entry-level S, GTS, and GT 4. The special Limited Editions, such as the 550 Spyder 40th Anniversary models, are also included. The book covers some of the author's international driving experiences at the wheel of Boxster and Cayman, including the Bilster Berg race circuit and Tour Auto. There is also an intriguing interview with successful racer Rebecca Jackson, who describes the techniques of Boxster racing and demonstrates the versatility of this best handling of all Porsche sports cars, and an interview with Porsche design chief Harm Gagaaj. The book will be of great interest to all motoring enthusiasts and historians and is illustrated with 400 colour photographs, many specially commissioned.
